### Mosely family to offer free Thanksgiving dinners

All elderly, handicapped and needy youth in the Belle Glade area are invited to the free annual Thanksgiving Dinner at Lake Shore Civic Center from noon to 4:30 p.m. on Nov. 25.

This event is a continuation of the benefit started by the late Simon P. Mosely, who died in 1990. It is co-sponsored by the Mosely family and Alpha Kappa Alpha Sorority, Inc. If you are sick and shut-in and would like a meal, call Wednesday, Nov. 24, from noon until 4 p.m. at 996-2636 or 996-9342. If you can volunteer to make deliveries, call Mrs. Mosely at 996-2636. Donations are appreciated and contributions can be mailed to Mrs. Lillian C. Mosely, P.O. Box 546, Belle Glade.

### Listen to children.

Volunteers are needed for the "Listen to Children" program to be implemented in the area elementary schools. Training will be provided by the Western Palm Beach County Mental Health Association at the Belle Glade Chamber of Commerce on Dec. 1 and 2 from 9 a.m. to 2 p.m. For reservations or more information, call Cynthia or Susanne at 407-832-3755.

### Class reunion

The Bobcats of Lake Shore Jr./Sr. High School Class of 1964 will be having their 30-year class reunion on Nov. 14 at the Palm Beach County Housing Authority, 2800 Ilex Court, South Bay, at 3 p.m. For more information, call Dorothy Davis, 996-4090.

### Citizens needed

The South Bay Community Police Relations Board needs concerned citizens to become a part of the group. For more information on how you can help, call Gloria Williams at 996-0584 or Autrie Moore-Williams at 992-8500.

### Bahl Humbug!

The immortalized line, "Bahl Humbug!", recognizable by people of all ages, will be heard time and again as the characters of Charles Dickens' "A Christmas Carol" come alive on stage Nov. 18 and 20 at 7:30 p.m. at the Dolly Hand Cultural Arts Center. Amateur actors from three Glades communities will present a production of this time-loved story. Sandy Cook, Actors' Community Theatre director for this particular production, said she is very excited about this play. "I've wanted to do this play ever since I became involved with A.C.T. 11 years ago. It is a delightful story with fascinating characters of all ages. Some Christmas music has been incorporated into the script to make it even more memorable. Audiences will love it," she commented.

Following the November productions, Ms. Cook will move her cast and sets to Clewiston for two more productions at the Clewiston High School Auditorium on Dec. 3 and 4.

Putting on the Glitz...was the theme of Saturday's American Red Cross Fashion Show and Luncheon put on by Saks Fifth Avenue - Palm Beach. Belle Glade's own Dolly and Homer Hand were two of the many local models in the show. See page three for more photos. SUNPHOTO by Brenda Bunting

## Rags-to-riches lawyer, Willie Gary, to speak at Hurston site dedication

"He will bring the wisdom of a lifetime that has taken him from tattered clothing and little hope to one of America's most celebrated and successful attorneys."

Willie E. Gary, Esquire, will be the featured speaker at the site dedication and fundraiser for the Zora Neale Hurston Roof Garden

Museum, from 4 p.m. to 6 p.m. Sunday, Nov. 14 inside Pioneer Park. The public is invited to participate.

The Hurston Museum's School Board-donated building will be moved to Pioneer Park later this month. The site dedication activities will be held at the park's entrance, which overlooks the 2-acre tract of land soon to be the museum's new home.

Attorney Gary, the son of a Georgia sharecropper, who grew up in neighboring Indianatown, is a graduate of Shaw University and North Carolina Central University Law School.

He established the first Black law firm in Martin County, as a sole practitioner, in 1975. Since that time, his firm has grown to include 15 attorneys and a professional staff of 41, in three locations.

Noted nationally for his support of education initiatives and for high achievement, Attorney Gary is Chairman of the Shaw University Board of Trustees and serves on the boards of several colleges and universities, including North Carolina Central University, Florida A & M University, Bethune Cookman College and Nova University. He and his wife, Gloria, have established a fund to aid students in the 9th grade to attend Shaw University upon graduation from high school. To date, nearly 100 students have been recruited by Mr. and Mrs. Gary for these programs.

Attorney Gary has been featured on the Oprah Winfrey Show and ABC and CBS network news shows, as well as on "Lifestyles of the Rich and Famous."

## Mother and cousin charged with negligence

Tammy Jackson  
Staff Reporter

Palm Beach County Sheriff's officials recently arrested the mother of a 4-year-old Pahokee girl and charged her with third-degree negligence after an investigation revealed that the girl had been left alone in the home a few days before the shooting occurred. He was also charged with third-

degree negligence.

Mignunza was critically injured after she apparently shot herself with a .25 caliber handgun outside the family home. Mignunza found the weapon under the couch. She then took it outside to the yard where she accidentally shot herself.

The mother and cousin were both released on their own recognizance.

## Pahokee needs fire inspector

But where will the money come from?

Tammy Jackson  
Staff Reporter

A fire inspector is needed for the City of Pahokee and someone that person has to get paid. Commissioners met Tuesday night and debated on the options of the part-time usage of Belle Glade's inspector, hiring an inspector full-time, or offering the position to an existing city employee willing to be certified.

Ken Schenck, city manager, told the commissioners legislation passed recently requires all new inspectors be certified. Existing inspectors who are not certified will receive a two-year grace period.

The position has not yet been advertised, but Mr. Schenck said it would be a possible \$42,000 per year position. Mr. Schenck was advised by the commissioners to go ahead and start advertising the position so the City of Pahokee will be in compliance.

Mr. Schenck said he has spoken with Lomas Harrelle, Belle Glade's city manager, about possibly using their city inspector part-time. The cost to the City of Pahokee will be \$15,000 per year.

Commissioners ruled that option out, saying inspectors always have duties and using Belle Glade part-time would take that inspector away from his own duties.

Commissioners discussed the monies used to pay the inspector's salary could come from the

sale of garbage vehicles to the county sanitation. According to the city manager, the city would receive \$52,500 from the sale.

Commissioner Roy Singletary voted against the move to hire a new inspector. He said it wouldn't be fair to the existing employees. "How can we pay for a new employee if we say we don't have the money to give the employees we already have a decent raise?" said Commissioner Singletary. "I think that's a slap in the face." Mr. Singletary said he could not justify paying someone a \$42,000 salary for the amount of work. He said there might be someone already on staff willing to be certified for the position.

Commissioner Pete Moore told the commissioners the city is in a position where they need an inspector. "This has to be done and the person has to get paid somehow."

After hearing everyone's thoughts on the matter, Mayor Ramon Horta, Jr., said, "We know this legislation was going to be passed one day ago."

He added, "I don't like the idea of using the Belle Glade's inspector because at \$15,000 per year, we might not get our monies worth (through a part-time position). It's mandated legislation and somebody's got to do it."

"It's got to be done, whether you hire someone from outside or a new person, it's still got to be done," concluded Mayor Horta.

## South Bay youth drowns in canal

Tammy Jackson  
Staff Reporter

A 4-year-old South Bay boy drowned Friday in a canal near the family home. Palm Beach County Sheriff's Department Detective Sgt. John Russ said the boy had been chasing chickens when he accidentally fell in the canal.

South Bay Police units were dispatched to 270 S.W. 12th St. and upon arrival Jamaris Holder's body hadn't been retrieved. The sheriff's office was notified when they arrived they were told the boy and his sister had been in the yard playing and chasing chickens. Their mother, Aretha Who-ton, was in the vicinity.

Out of the mother's sight momentarily, the children chased the chickens into the back yard. Jamaris ran on top of the canal bank and fell in.

The boy's sister, 2, went back to her mother and said her brother had fallen in the canal. Ms. Whorton ran to the canal but could not

locate the child. Charlie Gray, a family friend who was in the area, jumped in the water to locate the child but was unable to find him. South Bay Police Officers also tried to locate the youth but could not.

Divers from the sheriff's office and the Belle Glade Fire Department were called in to assist and after approximately 15 minutes of searching, the child was located in about 8 feet of water.

The boy was removed from the canal and CPR was administered. He was transported to Glades General Hospital and pronounced dead at 5 p.m. Sgt. Russ said the Palm Beach County Medical Examiner's Office autopsy report classifies the incident as an accidental drowning.

Since the death was accidental, HRS officials had been notified. The mother has three other children.

"This is just a very unfortunate accident," said Sgt. Russ. The case is still under investigation.

## City of Belle Glade will hire assistant city attorney

By Brenda Bunting  
Editor

For the first time in almost 30 years, the City of Belle Glade will have an assistant city attorney to help handle the city's business.

Commissioners voted Monday night to hire an assistant for long-time City Attorney John Baker.

Mr. Baker, who has been the city's attorney since 1964, suffered a heart attack in 1986 and has worked half days since. He will remain in charge of the city's legal business, but will be able to delegate some of the work to an assistant.

Mayor Steve Weeks said Baker is doing a fine job for the city, but a back up was needed.

"One day he might step out and get hit by a truck," he said.

"He's probably forgotten more about this city than most people know," he added.

Mayor Weeks made the suggestion that the city hire the assistant at the Oct. 10 commission meeting. Commissioner Happy Tucker at that time wanted the city to consider hiring a paralegal and save the city some money.

But Attorney Baker said he felt a paralegal would not be sufficient for the city's needs.

He suggested the city hire someone local, a member of the Florida Bar Association and a member in good standing of the Southern District of the Federal Court Trial Bar.

Commissioners agreed those standards should be met and also set an hourly rate of \$75 plus a retainer fee of \$5,000 yearly.

No decision was made on who the new assistant city attorney will be, but the commission is looking at Pahokee Attorney Dania Adams.

## Open house at several locations in Belle Glade on Saturday

Holiday bazaars and open house events abound in the Glades this weekend as several groups and businesses get ready for the holiday season.

Grab your check book and head out to:

- The Community United Methodist Church Arts and Crafts Bazaar on Saturday morning.

- Averill's Hallmark Cards, Gifts and Studio are celebrating their move to a new location with a Christmas Open House, also on Saturday from 9 a.m. to 6 p.m. at 40 Southwest Avenue B. The store is located in the old Florida Power and Light

building across from Gilbert's Jewelry and Gifts.

- The Rose Pedal will be having an hors d'oeuvre buffet from 9 a.m. to 5 p.m. at the store located at 341 S.E. 2nd Street on Saturday.

- Mixson's Florist at 200 S.W. Avenue E, Belle Glade will also host an open house with refreshments beginning at 9 a.m. Saturday morning.

- Everglades Trading Company and Office Supply will have their open house beginning at 10 a.m. at 341 S.E. 2nd Street, Belle Glade. Refreshments will be served.

## Speeding on Ave. E

I always said if I ever called this number, I'd have the guts to give my name, but to protect the innocent, I won't this time.

If we're going to crack down on speeding in some sections of Belle Glade, how about Avenue E? That's the worst place.

I go there every morning on my way to work and people pass me like I'm sitting still. No cops to be seen.

Thank you very much.

## Rabbit ears work for him

For the past month we haven't been able to pick up Channel 12 or 5 which are our two local television stations on this Cablevision that's out here in the Glades. Those are the two main channels that we watch. I was wondering why the cable company decided to start scrambling their signals so we couldn't watch it.

I've decided to cancel my cable because I can pick up Channel 5 and 12 with a simple little rabbit ear set.

Why pay that 20-something dollars a month when you can get what you really want to watch for free?

## What to do if you're missed

The Boy Scouts apologize for some confusion that was had in last year's food pick up. This year, for the Belle Glade area, the food will be picked up between 9 a.m. and 1 p.m. on Saturday, November 13. If you feel like you're missed or you're unable to put your food out by your door in time for it to be picked up, please take it to the Katherine Price Foundation.

Any time Saturday or anytime at all. Your cooperation is greatly appreciated and we're glad to serve the community by participating in this food drive.

Thank you.

## Angry parents

As parents we are outraged that the Lake Shore Middle School students were the only children in the Glades not able to attend the Glades Central Homecoming Parade, especially when a large number of their students were

participating in the parade.

I find it hard to believe that this decision was made by Lake Shore Middle School Principal Mr. Ramsey because his past record shows that he strongly supports participation in community events.

Editor's note: Lake Shore students were permitted to attend the parade after many concerned parents called the school and the school board and expressed their dismay.

## Go back and do it right

As a concerned taxpayer of Palm Beach County I want to speak out about all the road construction and repaving that has been done in Palm Beach County.

Between Belle Glade and South Bay I assume they're finished because most of the equipment is gone. The tractor crossing in the west bound lane has about a six-inch bump.

I think somebody needs to go back and redo the tractor crossing before somebody gets in an accident.

As a concerned Palm Beach County taxpayer and citizen, I think somebody needs to take a look at these tractor crossings and have the company go back and do their job right.

## Kudos to Red Cross

I just wanted to compliment Jeanette Dexter and her group for again this year giving us one of the social highlights of the season.

The American Red Cross Fashion Show and Luncheon was a surprise and a delight and I know everyone who attended it must have had a good time and got their money's worth and more. A big thank you also to all our local models who made the event so much fun to watch.

Manager Anne Hopkins does a fine job for the Glades at our local service center. She is in the process of moving the office to its new location on Main Street. I remember the time when there weren't too many places to turn if your house burned down and other disasters happened. Now we have the local Red Cross and so far, they always been here for Glades residents. I for one just wanted to say "thank you" to everyone involved.

# Letters to the editor

## Remember our Veterans

Dear Editor:

This Veteran's Day will mark the 50th Anniversary of World War II.

All the Veterans who served in this conflict are now in their golden years, however many have been forgotten and are now in VA hospitals and nursing homes.

These Veterans deserve our gratitude and so

badly need our support.

Find the time during the up-coming year to visit a Vet and make his day a little brighter. It will also make your day a lot better.

## The disruptive few are creating havoc in our local schools

By Van Ludy  
Executive Director of the Classroom Teachers Association

It is estimated that only four to five percent of Palm Beach County's student population of 120,000 are causing all the disruption and violence in our public schools. While this sounds insignificant, five percent of 120,000 students equals 6,000 hoodlums - not a number which can be ignored. These trouble-makers are not content just to ignore their teachers, but take it upon themselves to disrupt the education of the other ninety-five percent who come to school with the intent to learn and to obtain an education.

The problem is not dissipating, but is becoming more critical. Last school year almost 100 teachers were physically assaulted by students. Already this year, approximately 40 teachers have been physically attacked. If the trend continues, some 150 to 160 physical assaults on teachers will occur this year which would represent a 50 to 60 percent increase over last year.

As Classroom Teachers Association President Betty Corbett said, "Before you can have an effective school, you must have a safe school. If the number of assaults on teachers is appalling, the violence in our schools involving students is shocking." Weapons are no longer the exception. They are the rule. Even students who would not ordinarily think of bringing a weapon to school are now doing so - not to threaten others, but for protection. The Superintendent's announcement that students who bring fire arms to school will be expelled is applauded, but his simplistic action does not solve the problem.

The problem of school violence did not suddenly pop up, but has been allowed to grow over the years until we now have a crisis. This crisis must be addressed immediately or school officials can and should be held responsible if students or teachers are hurt or even killed in

future acts of violence.

The Classroom Teachers Association calls for immediate actions to take back our schools and has proposed the following programs.

1. That clear and unambiguous policies be adopted and communicated to all teachers and school employees which clarify what they can and can not do when confronted with a student fight or personal assault. Today many teachers are afraid to get involved for fear of possible lawsuits or even losing their teaching positions. The District must support its teachers if it expects its teachers to work to regain control of our schools.

2. That all school employees be provided restraint technique training so they can be prepared to intervene to stop fights and restrain students if attacked themselves. Again, teachers feel helpless to intervene and it is imperative that they school administration and the School Board support them.

3. That all education stake-holders (parents, teachers, administrators, other school employees, community leaders, students and other interested parties) be represented on a Task Force to revise the District's Student Code of Conduct policies. The Code must be updated to meet the needs and problems of today's schools. The old worn-out answers of yesterday no longer are relevant. The new Student Conduct Code must then be widely publicized and uniformly and consistently applied throughout the District.

4. Perhaps most importantly, parents must become more involved in their schools. Teachers, administrators and other school employees are working hard to solve the problem of violence, as well as other concerns in our schools. They are doing a yeoman's task, but they cannot do it alone. A new partnership with parents' involved in our schools must be nurtured and developed if we are to solve this and other problems facing public education today. We can be successful, but only if we join together.

# AARP urges lawmakers to oppose age discrimination bill

The American Association of Retired Persons (AARP) expressed its strong opposition to H.R. 2722, the Age Discrimination in Employment Amendments of 1993.

The bill would allow state and local governments to fire, as well as refuse to hire, otherwise well-qualified persons who wish to be police officers and firefighters, solely because of their age. It carves out a permanent exception for a class of workers historically covered by the Age Discrimination in Employment Act.

"This bill would sanction overt and completely unjustified age discrimination and should be rejected by Congress," said AARP Executive Director Horace B. Deets.

"H.R. 2722 does not protect public safety because it does not address the issue of fitness throughout the workforce of a police or fire department," Deets said. "There is no basis for forcing the retirement of a fit and competent 55-year-old when many less fit and competent younger workers remain on the job" he added.

Numerous independent studies - including a

recent study by the FBI/Major City Chiefs Association - and the experience of the many state and local governments that do not discriminate, prove that physical and mental fitness testing is the best predictor of competency and fitness for police and firefighters of all ages. Maximum hiring ages, some as young as 25, bear no relationship to public safety.

"AARP urges Congress to stand by the nation's older workers and not deny the important protections of the Age Discrimination in Employment Act or any other civil rights laws to persons who put their lives on the line to protect us," Deets said.

AARP is the nation's leading organization for people 50 and older. It serves their needs and interests through legislative advocacy, research, informative programs and community services provided by a network of local chapters and experienced volunteers throughout the country. The organization also offers members a wide range of special benefits, including Modern Maturity and the monthly Bulletin.

## GDS students named to honor society

### Gator Tales

Glades Day School initiated 31 students into membership of the National Honor Society and Junior Honor Societies in an evening ceremony held Wednesday, Nov. 10, in the school's Dora B. McWhorter Hall.

The National Honor Society ranks as one of the oldest and most prestigious national organizations for high school students. To be eligible for membership, students must have a cumulative grade point average of 3.25 and meet high standards of leadership, service and character. The GDS chapter involves members on community services such as the annual collection of canned foods at Thanksgiving and Toys for Tots at Christmas. This year's group also participated in the American Heart Association's Walk-A-Thon, collecting the most pledges of any organization. Members will also act as servers at this Saturday's American Red Cross fashion show and fundraiser.

Inductees to the NHS were seniors Amir Carter, Stephanie Lockhart and Cathy Sears; and, sophomores Patrick Altman, Johnny Blakeney, Deanna Gomes, Denelinda King, Marnee Kohr, Mathew Lowery, Laura Mayo, Fida Mullet, Brad Seider and Tara York. NJHS inductees were ninth graders Stacey Cox, Stephen Lowery, Brian Maxwell and Daniel Mills. Eighth graders were Trey Glava, Parker Altman, Carla Alvarez, Nicole Alvarez, Brianne Bahruv, Tiffany Carter, Larry Confare, Michelle Herring, Mary-Anne Hollingsworth, Hillary McCullen, Alex Rey, Pablo Sanchez, Alicia Schaper, Zach Threlkeld, Emily Watson, Jarrod White and Jimmy Wilkinson.

Good news football fans! The Gators are in the playoffs! Thanks to the new system instituted by the FHSA this year, the champions of each district as well as the runner-up make it to the playoffs. With our 26-0 shutout over American Heritage last Friday, GDS was assured a playoff berth as the runner-up. We are scheduled to play Miami Westminster, the winner of District VIII, at 3 p.m. on Friday, Nov. 13, in Miami. Directions to the game will be available at the office. The Gators take a 7-2 record into the game against Hollywood Christian this Friday, the last one of the season.

Fans might want to come early to take advantage of the chili supper sponsored by the Gator Band. Members have been selling tickets for \$5. If you missed out on a ticket but would like to attend the supper, a limited amount will be available at the door. Come early!

Parents, take note: The yearbook staff will be taking orders for the 1994 GATOR beginning Monday, Nov. 12. Yearbooks are \$34 for underclassmen, \$35 for seniors. Sales will end Tuesday, Nov. 21. Get your order in by Thursday, Nov. 15, and be eligible for a drawing for a free yearbook.

## Kids Fishin' Festival planned; stresses strengthening family ties

Acme Recreation, Royal Palm Beach Recreation, the Boys and Girls Club of Wellington, the Palms West Chamber of Commerce and South Florida Water Management District have joined forces to sponsor the first "Fishin' Kids' Festival from 9 a.m. to 5 p.m. Saturday and Sunday, Nov. 13 and 14, at the Royal Palm Beach Wal-Mart, located at Southern Blvd. and Hwy. 401.

The goal of the event is to provide the funding for monthly deep sea fishing trips for parents and children in the western Palm Beach County communities. Its purpose is to strengthen family ties through fishing and to provide a means for parents to share fishing with their kids.

Festival activities will include a casting contest, canal fishing, derby, pony rides, music, hot dogs and hamburgers. Major brands of fresh and salt water fishing tackle will be available with a donation and Mr. M&M will be on hand to greet the kids!

Coordinating the festival, the field trips and the youth fishing activities is Fishin' Kids Stay Clean, Inc., South Florida's nonprofit youth fishing agency. Fishin' Kids is supported by the Children's Services Council, the superintendent's office of the school board of Palm Beach County and the Palm Beach County Commission.

For further information about the "Fishin' Kids' Festival, call 968-2004.

Within the Glades area, the fishing project is used as an incentive for the students. "According to Sgt. John Russ (Palm Beach County Sheriff's Department), there's been quite an improvement in behavior among students," said Don Simunek, executive director of Fishin' Kids.

Working and organizing in conjunction with law enforcement in order to get parents involved in the project, the first 20 parents to sign up, with Sgt. Russ at the sheriff's department, for the program, the parent and the child (one child per parent) will be eligible to go on a fishing trip planned for Sunday, Dec. 12. There is no age limitation, and 10 subalternates will be selected.

## Glades Central defeats Fort Pierce Central in homecoming game

Tammy Jackson  
Staff Reporter

Raiderville was on fire Friday night as Glades Central Raiders demolished Fort Pierce Central in the homecoming football game. Fort Pierce Cobras held fast and stayed with the Raiders as the scores flip flopped back and forth throughout the first half of the ball game. But the second half of the game had Raiders written all over it.

"It was exciting. It was fun," said Glades Central Head Coach Rick Casco.

In a high scoring game, the scores at the end of the game totaled 94 points.

Fred Taylor of the Raiders scored five touchdowns, gained 301 yards and ran for three two-point conversions. He gained 216 yards in the first half and scoring runs of 73 and 75 yards, and the Raider crowd enjoyed every moment of it.

The Cobras found it hard to keep up with the explosive offense of the Raiders. "We were scoring, they were scoring but we made mistakes in the second half," said Fort Pierce Central Coach Paul Lombardo.

Cobra Alvin Swopce carried 11 times for 147 yards and two touchdowns. Cobra quarterback Ron Fague scored three times and ran for 80 yards on 13 carries.

ries.

The scoring got under way only 19 seconds in the game as Taylor scored on a 1-yard run after the Cobras fumbled the opening kickoff.

However, Fred Hodges, of the Cobras made up for the mistake on the next kickoff as he ran the ball 90 yards to the 6-yard line. Fague then scored from the 3-yard line.

The Cobras' Mike Conley intercepted a Raider pass at the 34-yard line of Glade Central. This set up a 46-yard field goal by David Toth.

Later in the game, Taylor broke a 75-yard touchdown run after taking a handoff on the right side and cutting back to the left sideline.

On the next possession, the Cobras seemed as though they were preparing for the punt on a fourth and 12 at its 49-yard line. Junior Fullback Maurice Toombs took the snap and ran the ball 18 yards in the end zone for the touchdown.

Toombs later hurt his wrist and was taken to the hospital. He carried nine times for 46 yards.

A fake punt which led to a 33-yard touchdown run by Fague gave the Cobras a 17-14 lead.

Seeing limited action due to recovering from an appendectomy, JaJuan Seider threw a 40-yard pass to Nathaniel Freeman giving the Raiders a 36-31 lead.

Taylor was stopped in the third quarter when the Cobras' standing offensive tackle, Anthony Phillips, made a rare appearance on the defense. He halted Taylor for no gain.

Pertaining to the defeat and perhaps knowing that his team will probably face Glades Central again, Coach Phillips said, "We'll just have to regroup and hopefully we'll see them again in five weeks."

The victory gives Glades Central (8-1) the homefield advantage in the playoffs vs. the loser of the Immokalee-Estero game.

According to Coach Casco, "I don't like giving up 38 points but I'll take 114-113 as long as we get the W."

Nov. 12 brings excitement as it is expected that a bigger crowd will be in Raiderville when Pahokee visits Glades Central for the annual Muck Bowl competition. The game has nothing to do with district standings or the playoffs, but both teams know that it does hold the right to brag about hometown football.

Raiders were able to take breather and a Raider fan enjoyed a bite to eat while witnessing the defeat that Glades Central handed Fort Pierce Central.

## Blue Devils lose homecoming; preparing for annual Muck Bowl

Tammy Jackson  
Staff Reporter

Pahokee was unsuccessful in defeating Olympic Heights but they gave the undefeated Lions a real war as they only allowed the team to score 27 points.

The Olympic Heights win marks the second consecutive week the Lions have defeated an unbeaten, state-ranked team from the Glades area.

"We've played a state playoff team the last four weeks and it takes a toll," said Olympic Heights Head Coach Frank Kunf. "It's a sign of a good team when you play one of the top-notch teams in the county like Pahokee on their homecoming and win the game."

The Lions' Perviss Henderson has rushed for 893 yards this season, however the Blue Devils permitted him to make 0 touchdowns. He did play a major role in the Lions ability to control the ball in the first quarter and later the ball

game. The 6 foot, 205 pound senior fullback rushed for 125 yards in the first half alone.

Not allowing any of their previous opponents to score more than two touchdowns, two of Olympic Heights' touchdowns were set up by blocked punts deep in Blue Devil territory. A third touchdown was made on an interception return.

Pahokee receivers dropped eight passes. Two of the eight could have been possible touchdowns passes.

Ranked No. 3 in the Class 4A state poll, Olympic Heights took a 14-0 lead early in the game.

Blue Devil Quarterback Tyrone Richardson threw an interception and Lion defensive back Andrea Waters ran 45 yards for a touchdown.

Olympic Heights went up 14-0 when quarterback Anton Anderson found tight end James Parrish on a 69-yard touchdown pass with 6:32

remaining in the second quarter.

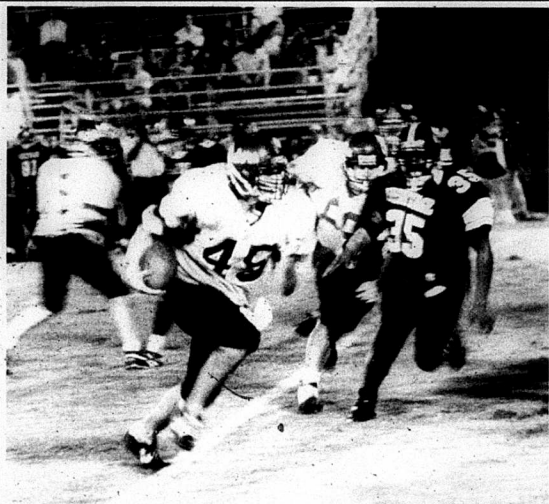

Pahokee answered the wake-up call with a 70-yard touchdown run by Andre Taylor on the first play of their next possession. This narrowed the Lions' lead to 14-6 as they went into halftime.

"We thought we were going to blow them out, but they came back and gave us a heck of a game," Henderson said of the Blue Devils.

Pahokee Head Coach Mark Kaczanowicz said, "We were just about ready to bottom out on the third quarter, but we came back and I'm really proud of that. We were there and we had our chances."

The Blue Devils will travel to Glades Central Nov. 11 where they will battle the Raiders in the Muck Bowl. The winner will have earned their bragging rights in football.

Good Luck Blue Devils!

Gator's #45, Patrick Whitehead finds an opening and breaks for the touchdown run, while the Gator's offensive line clears him a path.

## Gators shut out American Heritage 26-0 to clinch district play-off spot

By Paula Whitehead  
Staff Reporter

Glades Day's Gators clinched their playoff spot with a district shut out against American Heritage Friday night.

It was one of the biggest games of the year for the Gators, as they traveled to Plantation to go head-to-head with a team led by their former coach Byron Walker.

The Gator's were hipped for the game and they had their team spirit high.

Gator Quarterback Graham Chancey scored the first touchdown of the night on a 3-yard run after a hard drive down the field by the Gators. Chancey completed 2-of-3 passes for 40 yards plus kicked for the PAT, putting the Gators on top of the Patriots by seven points at the end of the first quarter.

The night began with the clash of the champions. Whitehead against Watson. Whitehead is the state's leading rush-

er and scorer for 7-1A - 2A districts and Watson is the second leading rusher. This made the game just a little more interesting for these two guys. Watson played both offense and defense going against Whitehead, trying hard to shut him down but Whitehead scored in both the second and third quarters.

Patrick scored on a 21-yard run in the second quarter and a one yard run in the third quarter, putting the Gators ahead by 19 points at the end of the third. Whitehead rushed for 101 yards on 17 carries and scored two touchdowns. Whitehead has now scored 102 points in nine games.

The "Big D," led by Junior middle linebacker Ryan Mann, was so devastating Friday night, that the Patriots weren't even able to move the ball into Gator territory, and were only allowed to make 6 first downs the entire evening, making their first in the third quarter.

Not only did the Gator's defense hold the Patriots offensive line but they held American Heritage's leading rusher, Watson to just 57 yards on 24 carries.

Danny Scott finished up the evening with the Gator's last touchdown for the night, leaving the Patriots shut out 26-0. Scott rushed for 100 yards on 12 carries and scored on a 12 yard run. Scott had a great game this week.

The Gator's have held opponents to a total of 85 points scored against them so far this year but have scored a total of 255 points.

Glades Day Gators play their last regular season game on November 12, against Hollywood Christian at Glades Day. This is not a district game.

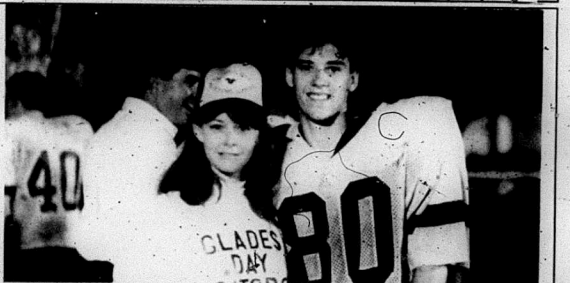

Then, November 19, they will travel to Miami-Westminster to play in the first round of playoffs.

Good Luck Gator's!

The Crusader football team played with injuries the entire season, but they never gave up the fight.

## SCIATICA

The sciatic nerve proceeds from the lower back area down through the entire leg. Pinching of the sciatic nerve is accompanied by a dull, deep throbbing pain in the lower back and continues in hot, sharp, stabbing flashes over the buttocks to the thighs down the calf of the leg and into the heel and toes.

## Recreation department names king and queen

The Pahokee Parks and Recreation Department After School King and Queen were announced recently. Laquandra McKinney was named the Queen, and Reuben Walker was named King. Laquandra raised a total of \$301. Reuben raised \$150. The second place winner in the queen category was Dequandra Wilson. She raised \$58.75. Marquitta Lawler won the third place position and she raised \$25. Jonathan Wallace raised \$50, and he won second place in the king category. The City of Pahokee Parks and Recreation After School Program thank everyone who donated.

The Homecoming King and Queen and the attendants keep smiling as they feel the warm rays of the sun.

Students riding floats in the parade continuously waved at the crowd that witnessed the spectacular event.

## Assistance needed in providing quality recreation for Glades-area youth

Tammy Jackson  
Staff Reporter

The task of keeping youth focused in a positive way of life is a task that citizens in Belle Glade are interested in. Through the youth football program, coaches have volunteered their time to make this happen. That task however, will be complete only if there is support from different organizations within the city.

"Insurance is extremely high," said Daniel Bythwood of the organization. "There are two kinds of insurance that we must have. The organization must purchase accidental insurance and insurance to play at Pioneer Park." Thus far the organization has received support from the City of Belle Glade, Glades merchants, the Police Athletic League and some firms in the West Palm Beach area.

The league is made up of seven teams in the Glades area alone. The cost of travel is an extreme amount that can only be met with the

financial support from the community. Mr. Bythwood said to transport the kids on away trips, the bus lines fee is \$48 per hour.

"We are asking for any kind of help from the city and other sources," Mr. Bythwood commented. "This is a migrant town and there are many parents that are just starting to go work. We shouldn't deprive those kids of playing because of that."

With many households working extreme hours to make ends meet, the league

provides supervision for the children when their parents are at work.

Mr. Bythwood said it takes a total of \$210 to outfit one child to play football in the league. Therefore, not contribution is too small. He said that if the league can get the finances from the community, there will also be cheerleaders added to the organization.

The league will travel to Rivera and West Palm Beach to play football games, and in December there is a trip to Jacksonville planned.

## Parks and recreation department plan Family Day

The City of Pahokee Parks and Recreation Department has designated Saturday, Nov. 13, 1993, as Family Day for the flag football program. All families, friends and the entire community is encouraged to attend the football game and show your support for the youth flag football program. Concessions will be available.
